Purpose

The purpose of credentialing Intentional Interim Ministers is to establish and maintain a roster of specifically trained and experienced LCMS ministers for transitional ministry to serve congregations that are seeking such service under the guidance of and recommendation of their District Presidents. Further, the purpose of credentialing is to accommodate the specific guidelines as approved by the LCMS Council of Presidents in action taken by the Council on April 9, 2000.

Process

Each applicant for credentialing should have familiarized himself with the document: *Guidelines for the Training and Credentialing of Intentional Interim Ministers in the Lutheran Church-Missouri Synod*.
